Chicago Society for Neuroscience – Career Achievement Award

2015 Call for Nominations

The Chicago Chapter of the Society for Neuroscience is pleased to announce an annual award to recognize chapter members who in their careers have made outstanding contributions to advance neuroscience education, research and/or outreach in the greater Chicago Community. This award is based on nominations and announced at the Chicago Society for Neuroscience Annual Meeting. One award is presented annually.

Criteria for nomination include (one or a combination of the following):

1. The candidate has made outstanding contributions to the development of educational programs in neuroscience in the greater Chicago Community.
2. The candidate has made outstanding contributions to strengthen research in a particular field of neuroscience in the greater Chicago Community.
3. The candidate has made outstanding contributions to the education and mentoring of undergraduate students in neuroscience in the greater Chicago Community.
4. The candidate has made outstanding contributions to the education and mentoring of graduate students and postdoctoral fellows in neuroscience in the greater Chicago Community.
5. The candidate has made outstanding contributions to public communication, outreach, and education about neuroscience in the greater Chicago Community.

To nominate a member, please send a letter of nomination along with a CV of the person being nominated to CSfN President-Elect Dorothy Kozlowski: dkozlows@depaul.edu.

The deadline for nominations for the 2015 Award is February 1, 2015.

Award:
The awardee will be presented with a plaque and an official citation at the annual meeting and will be invited to present a few remarks. A page on the CSfN website will be devoted to current and prior awardees with links to their pages.

Selection process:
A committee of 3 individuals comprised of current CSfN members will read through nominations and select an awardee.
